Hard Disk Serial Number:

You may bring this lab book containing only hand-written notes, with each page signed by your professor, to the OPS335 quizzes, mid-term test, and final exam.

Pages will only be signed when the lab is complete.

This book must be bound or stapled together. Loose pages will not be allowed.

This book is the record of completion of your labs - do not lose it.

Do not disclose the notes in this lab log book to other students.
